ECO-u622

Pocket-sized Universal Power Bank with Safety Protection

The new ECO-u622 6000mAh pocket-sized power bank features two Samsung Li-Ion batteries that are ready to charge your mobile device when you need it, wherever you need it.

With three fashionable colors and modern profile, ECO-u622 is designed to complement your unique style. Its compact, lightweight frame easily fits in the palm of your hands to bring you quick and convenient charging wherever you go.

In addition, ECO-u622 is equipped with an LED flashlight for your convenience. It is the perfect traveling companion for your mobile devices on business trips, vacation, and just about anywhere you go. Put the ECO-u622 power bank in your pocket and go.

The ECO-u622 is backed by a 1 year limited warranty and US$ 10 million worldwide product liability insurance.
